*For almost 50 years HVHS has supported the research and preservation of local history. Our Archives include thousands of original photographs and documents. The Oral History Project has 160 documented interviews. We sponsor monthly programs about Hopewell Valley history with 34 past talks accessible on YouTube videos. The House Lineage Project has researched and documented almost 100 houses. To celebrate our 50th Anniversary we are publishing a book about the highlights of life in Hopewell Valley. Become a member and receive our award-winning Newsletter. Access to history is available to anyone at [hopewellvalleyhistory.org](http://hopewellvalleyhistory.org).*
